PREPARING STUDENTS FOR PM WRITING 1

Exemplars for Teaching Writing

Big Book with IWB CD

- ✓ Oral Reading
- ✓ Modelled and Shared Reading and Writing

The big book and IWB big book software are designed for use with whole-class or small groups. The big books provide models of, and introduce four text types – recount, description, information report and narrative. The IWB CD allows further interaction with the text – words, sentences and pictures can be hidden and revealed, text can be edited and language features highlighted.

Levelled Exemplar Texts

- ✓ Guided Writing
- ✓ Shared Writing
- ✓ Independent Writing
- ✓ Independent Reading

The levelled texts develop and reinforce spoken language and the conventions of written language modelled in the big books. They provide additional models for guided writing, and independent reading and writing.
