Single-user licence – If you purchase a single copy of the software at a particular level, you may use it on one computer only.

Site Licence – If you purchase two copies of the software at a particular level, this constitutes a site licence. A site licence allows you to use the software on multiple computers or on a network, provided that all computers are owned or leased by the purchasing institution and are physically on one premise.

- Teacher controls
 - Individual progress reports
 - Worksheets
 - Student checklists
- Other features include:
- complement the language and structure of each PM title.
 - word and word parts. Every activity is carefully designed to
 - activities that focus on all aspects of the text – whole text, sentence, are being read to them. They can also interact with the story through
 - resolution, and deals with concepts and experiences children can understand.
 - Because basic vocabulary is introduced
 - slowly, children find the stories enjoyable, satisfying and rewarding
 - to read.

PM Plus and PM Library Software

- Supportive and easy to use.
- Teachers' Guides complement all levels. Activities within the guides have been carefully designed to ensure the effectiveness of Guided Reading in the classroom.
- Features include:
 - Teaching notes
 - Blackline masters
 - Reading records
 - Language monitoring checklists

Teachers' Guides

- vocabulary that is linked to the Story Books
- layouts that are easy to access
- a range of text types
- reliable information as a result of thorough research and scientific accuracy
- high interest levels that arouse children's interest to learn and read.

The non-fiction books are linked broadly to outcomes in state and national curriculum documents. The non-fiction books in PM Plus and PM Library include:

Non-fiction Books

Each PM Story Book features a classic story structure with tension, climax and resolution, and deals with concepts and experiences children can understand. Because basic vocabulary is introduced slowly, children find the stories enjoyable, satisfying and rewarding to read.

Story Books

PM Plus and PM Library Red, Yellow and Blue story books and non-fiction books have been written for early primary school students and are perfect for guided reading.
